CREATIVE TECHNIQUES GROUP

(Alternate Wednesdays)

Creative Techniques begin with camera settings, through image editing skills to presentation of your finished masterpiece. Hopefully the Creative Techniques group will work together and we will all learn from each other by sharing our ideas and knowledge.

We will be delighted to welcome anyone with an interest in developing their photographic skills. It doesn't matter whether you have been taking photos for years or have literally just bought your first camera we will welcome you to our group of like minded image makers. Sessions will include models, still life, camera techniques etc..... The list is endless! It is up to the members to make suggestions as to what we cover.
